

Parkinson Invitational 12 – May 2023

PI-12, Π-12

All rounds played as Man-Scram

Man-Scram – the PI-original format

- a. Partners decide which format to play the upcoming hole before they tee off:
 - i. Their own balls to the hole (Man), OR
 - ii. Scramble (Scram)The team ahead in the match must declare their intention first. If teams are tied, the team with honors for the hole declares first.
- b. Each member of the 2-man team tees off and (if playing Scramble) the partners decide which ball to play
- c. When playing Scram, use the usual PI Scramble ball placement rules (one clubhead, same general lie, no closer to the hole).
- d. Scoring:
 - i. Man – Lower of two teammates is the team score
 - ii. Scram – Scramble score for the team
- e. **2 drives per player are required per 9 hole mini-match.**
 - i. When playing Scram, the drive used is recorded
 - ii. When playing Man,
 1. If the hole is won, the drive of the low scorer is recorded. If partners record the same score, either drive can be recorded.
 2. If the hole is lost, either drive can be recorded.
